IT IS ORDERED that Citipower, L.L.C. ("Citipower") shall file the original and 4 copies of the following information with the Commission. Each copy of the data requested should be placed in a bound volume with each item tabbed. When a response requires multiple pages, each page should be indexed appropriately, for example, Item 1(a), page 2 of 4. With each response, include the name of the witness who will be responsible for responding to questions related thereto. Careful attention should be given to copied material to ensure that it is legible. The response to this request is due 20 days from the date of this Order.

1. Refer to response number 10 of Citipower's filing of June 19, 1998. Clarify whether Citipower is proposing to modify the labor time estimates for each of the proposed non-recurring charges. If so, provide a replacement non-recurring charge cost justification sheet for each charge showing the modified time to perform tasks and associated charges.

2. Refer to response number 11 of Citipower's filing of June 19, 1998, in which Citipower states that it proposes to modify its original tariff sheets to reflect an average 15-mile round-trip. Provide a replacement non-recurring charge cost

justification sheet for each charge affected by the change in mileage, and show all recalculation of charges.

3. Refer to response number 12 of Citipower's filing of June 19, 1998, which indicates that Citipower proposes to change its cost justification sheets to reflect different hourly rates.
